

XPEL PRICE MATCHING POLICY

Inception Automotive Detailing offers price matching if these criteria are met:

- Quotes must be **written** (email is acceptable, but a “text quote” or “DM quote” are unacceptable)
- Quotes must be for the **same scope of work**
- Quotes must refer to **specific make and model of vehicle**
- Quotes must come from **other authorized XPEL Installers** (XPEL Database Verifiable, and Authorized XPEL pricing guidelines)

Inception Automotive Detailing is excited to extend this offer to new prospective clients. We highly value your time and initiative to invest protecting your vehicle and open to work with our clients’ specific needs as long it is fair for both parties.

There may be cases where we could beat competition pricing up to **10% of the difference** depending on the level of service conducted. For example, if a service were quoted \$1,000 while our competition is offering \$900, 10% of the difference would be \$10 where our adjusted pricing would now be at \$890. A consultation with one our representatives is required.

However, we reserve the right to refuse honoring the price matching request IF these criteria are not met.
